| Academic Environment

Independent and city-integrated. NYU doesn't have a traditional campus — the city IS your campus. Professors are industry leaders who teach between consulting gigs. Classes are discussion-heavy. Stern MBA students are already running startups. Tandon engineering kids are building apps between classes.

| Student Life

NYC energy is unmatched. There's no 'campus bubble' — your social life is the city. Friday nights are rooftop bars, Saturday is exploring a new neighbourhood, Sunday is brunch in Williamsburg. Indian students hang at Jackson Heights on weekends for dosa and desi groceries.
