2. Why Choose University?

- QS #38 — Canada's #2 university
- Vancouver — world's most livable city, mild climate
- 2,500+ Indian students with active community
- Stunning campus between mountains and Pacific Ocean
- Strong in sustainability, forestry, and environmental sciences
- No GRE required for most programs

Academic Environment

Nature meets Nobel Prize. UBC ranks in the world's top 40, and the campus proves it. Research is woven into the curriculum. The Master of Data Science program is Canada's best. Professors are leaders in sustainability, AI, and ocean sciences.

Student Life

Vancouver is consistently ranked the world's most livable city. UBC's campus is between mountains and ocean — students hike, ski, and surf between classes. The Indian community celebrates every festival. The rain brings people together — coffee shops are the social hub.
