Motto	Scotland's Ancient University — AI Research Powerhouse

The University of Edinburgh is Scotland's oldest university and one of the UK's most prestigious. Home to the birthplace of Artificial Intelligence (AI was founded here in 1963), Edinburgh is a world leader in computer science, data science, and informatics research.

Notable Alumni

Charles Darwin — Theory of Evolution

Alexander Graham Bell — Inventor of the telephone

2. Why Choose University?

- QS #22 — birthplace of Artificial Intelligence
- 1,000+ Indian students in a historic Scottish setting
- Edinburgh Informatics is Europe's largest computing research centre
- Scotland's Graduate visa is 2 years (same as rest of UK)
- Edinburgh is one of Europe's most beautiful cities
- Tuition is lower than Oxford/Cambridge/Imperial

| Academic Environment

Research-led and intellectually stimulating. Edinburgh's Informatics department is one of the world's largest. The AI program is particularly strong. Scotland's education system has a unique undergraduate structure (4-year honours). The academic culture is collaborative.

| Student Life

Edinburgh is stunning — a UNESCO World Heritage city with a castle, volcano, and medieval old town. The Fringe Festival (August) is the world's largest arts festival. The Indian community is active and welcoming. The nightlife is centred around the Grassmarket and Cowgate.
